Company history/background

Great opportunity to acquire a company in the footwear sector with more than 10 years of activity and 30 years of experience in the sector internationally working for leading brands worldwide

Sales are concentrated almost entirely in three countries: the United States, England, and Mexico, accounting for 95%, with the United States being the largest customer and the remaining 5% in Europe. Current revenue is

€7,200,000; this is based on one assembly line, with the potential to expand to additional lines provided sufficient human resources are available.

Unique selling points

Value of equipment and machinery above €1.5 MM
