Company history/background

- Strong and complementary management team
- Large production building (rental) supports growth plans

The company works closely with a select number of suppliers and partners.

- Well-filled pipeline with projects into 2025
- Business model based on multiple sector trends
- Significant traction

Ontwerp, productie en verkoop (B2B focus) van modulaire woon- en werkunits.

Unique selling points

- Relatively strong brand awareness;
- Clear vision and future plans;
- Little competition in its own niche;
- Little dependence on seller, customers, or suppliers;
- Growing operational results;
- Competent team with solid operational and commercial capabilities;
- Sellers willing to remain active (part-time) after the transfer, in accordance with the wishes and needs of the prospective buyer. Naturally, a professional knowledge transfer will also take place;
- Growth potential present both nationally and internationally

Other

Great opportunity for both ambitious MBI candidates and strategic and financial parties.
