Company history/background

The sports shop may continue at the same location without acquisition of the company. Is certainly profitable if you yourself the shop does. Very well located. Known to various clubs in the region. Exclusive Regional distributor for various top brands. Low rent. A great starting point to grow into a top business. Reason: age and no follow-up, switch to less intensive activity

Idea acquisition price of 130,000 euros, but negotiable according to the acquisition agreement.
