Company history/background

Are you an entrepreneur or do you want to become one? Join fit20 (franchise) and start your own studio in Antwerp (or another location) with a proven formula that is successful worldwide. The demand for time-efficient health and fitness is growing explosively. More and more people are looking for smart solutions that fit into a busy life. This is exactly what we offer. Why fit20?

- Unique and scientifically proven training concept: just 20 minutes per week, with results
- Proven franchise formula with more than 170 studios in Europe and beyond
- Professional guidance during and after the start-up
- Low investment threshold and attractive revenue model
- No fitness experience needed (training is provided) – entrepreneurial drive is what counts

Other

We are looking for franchisees who are social and customer-oriented, have strong organizational and commercial skills, and want to build their own fit20 studio with passion and entrepreneurial drive. Experience in fitness is not necessary – your motivation and entrepreneurship make the difference. Do you want to do business in a sector with a future, make a social impact, and build a healthy company? What do you get in return? A business that not only yields a financial return but also makes a tangible impact on the lives of your customers.

You don't sell training. You sell Energy. Health. Self-confidence.

Ready to make a difference? Get in touch and discover how you can soon open your own fit20 studio – in Antwerp or another prime location.

You can start up with as little as 20,000 EUR in personal funds.
