Company history/background

The sale of the business assets, including the real estate, of a specialized company active in the construction, renovation, and optimization of swimming pools, which positions itself as a total partner for its clients.

specialized in:

- sale and construction of swimming pools

- renovation
- technical optimization

Unique selling points

- Strong regional brand awareness and established market position within a fragmented sector;
- Strong and growing order pipeline towards 2026 and beyond;
- Good and fast customer service;
- Recurring and loyal customer base;
- Knowledge transfer. For the seller, it is open for discussion to remain active part-time for the company for a period after the transfer, thereby ensuring continuity; as well as to offer professional knowledge transfer;
