Other

Short Description:

The company is active in the construction sector and has a specific focus on public and limited tenders.

The services performed range from building renovation to new apartments, parking lots, etc.

The company has 7 employees and has an excellent relationship with its subcontractors.

The company is based in Flanders, Belgium (near Brussels).

Key strengths:

The company has an excellent relationship with its customers, which is reflected in a long-standing relationship of more than 10 years with their top clients (high recurrence).

Reputational value with more than 25 years of experience in the industry.

Highly educated employees working with one shared focus.

Very good relationship with his subcontractors who know the company's quality standards and working methods.

Background of the transaction:

The company's shareholders have made the strategic decision to sell 100% of the company's shares.

The shareholders are willing to remain active for a predetermined period to enable a smooth transition.
