Hospitality business, bar-restaurant, on the coast in a very popular town on the Costa Brava.

The bar and restaurant is very popular and has a great reputation in the village, both among locals and visitors and tourists. It has been established in the village for 15 years.

The company generates a high sales volume, primarily through its restaurant, as well as its bar and the organization of events and parties. The company also regularly offers live music.

Current owners open 6 months a year in summer; however, the local population, pensioners and visitors (mostly on weekends) can be taken advantage of throughout the year.

During its more than 15 years of existence, the company has achieved success every year with increasing sales volumes.

The restaurant stands out from the others in town due to its decor and furnishings (imported directly from Asia). The interior seats 60, but its main attraction is the terrace with over 125 seats, covered and heated (when needed), and right on the seafront!

In addition to running the restaurant and bar, the company organizes events and parties every week with live music.

Besides the owners, about 20 people work at the company.
