Company history/background

Company founded in 2014 and in full expansion for sale, for personal reasons. It has agreements with the most important manufacturers in the sector. It's specialty is the purchase and sale of textile items (t-shirts, sweatshirts, polo shirts, bags, work clothing) for different sectors, such as: retail, souvenirs, advertising, early fashion.

The management is carried out through a virtual store, so you can consider moving the business to any part of Spain.

Buying and selling of textile products for the wholesale

Unique selling points

The management of the company is carried out through a virtual store. It also has a warehouse with the most popular garments to provide a 24-hour service.

Other

Profile of a person or company that wants to expand and grow the business. Or a company that wants to increase its cash flow without efforts.
