**Company history/background**

We offer a wide range of agricultural and arable land throughout Romania, ranging from parcels of 20 to 2,000 hectares, as well as complete farms, with or without irrigation options.

This land is ideal for subsidies and represents a valuable investment for the future. All parcels come with complete cadastral documentation. We are a Dutch real estate agent based in Romania.

With our office in the heart of Romania, Brasov, we are ready to provide you with all the necessary information. For more details or inquiries, you can easily contact us via the response button. We are happy to assist you.
