Company history/background

With several decades of knowledge and experience in the design, production, and sales of lighting/lamps. Started in 1990 with small-scale production of lighting designed in-house. Over the years, grown into a company with customers all over the world (80% Europe).

In a world of increasing demand for high-quality lighting products, the company supplies lamps/lighting that are

in-house designed, largely in-house produced and sold through selected dealers (130) in Europe.

Unique selling points

Contemporary designs for the high-end segment.
