Company history/background

This hospitality concept has been built up over the past few years with a focus on simplicity, quality, and profitability. The business has proven itself with stable demand and an average daily turnover of around €1,200, despite limited opening days.

Due to personal and strategic choices, the concept is being transferred today. This does not involve an acquisition of the company, but an acquisition of the concept and the entire assets.

The concept is suitable for continued operation at the current location, but offers particularly strong opportunities

to relocate to a better or busier location.

The concept is situated within the hospitality industry (restaurant / fast casual / takeaway), with efficient operations and a clear focus on speed and quality.

The operation is simple and scalable:

- Limited but strong menu
- Fast service (suitable for takeaway and dine-in)
- Low complexity in kitchen and staff
- Possibility of expansion (delivery, extra opening days, new location)

The concept is ideal for both startups and experienced entrepreneurs.

Unique selling points

- Proven turnover (\pm €1,200 per day with limited opening days)
- Fully developed concept (branding, functionality, structure)
- Low operational complexity
- Relocatable concept (major advantage over location-bound businesses)
- Immediately operational (ready to move in)
- Potential for strong growth with expansion or a better location

This makes it a unique opportunity for someone who wants to get started quickly without starting from scratch.

Other

Wanted: motivated entrepreneur who wants to further develop this concept.

Ideal for:

- Starting hospitality entrepreneur
- Someone who wants to take over an existing concept instead of building one from scratch.
- Entrepreneur who has a better location and wants to move the concept

- Investor looking for a simple and scalable model

Important:

This concerns the acquisition of the concept + inventory. Not an acquisition of the company.

More information and figures will be shared upon serious interest.
